D. Report on the Community Scan and Survey

Members of the public and Library Board members were requested to ask questions as Gil commented on the survey items, rather than wait until the end of the meeting.

Gil Enztminger reported that there were 477 responses to the survey. Gil also reported on the success of the public meetings held.

Gil then reviewed the responses to the survey. Comments included more meeting room space, comfortable chairs, space for teenagers to meet, tables, parking.

The current library has 5,000 square feet. Gil recommended that we consider 15,000 square feet. After discussing what could be eliminated, we agreed to consider 10,000 square feet.

We will request that Gil and his team design the library to include what we want, but only 10,000 square feet.

Judy moved to adjourn the meeting. Patti seconded. The meeting adjourned at 6:40 pm.
